

## JNLR – February 2017

### *What's new?*

#### Data Embargo until 12 Noon, Thursday 2<sup>nd</sup> February 2017

- The embargo on all JNLR communications has been extended to Thursday 2<sup>nd</sup> February 2017 at 12 noon. Please note, this embargo applies to all communications, including B 2 B communications, and to all media across broadcast, print and on-line (including Twitter and Facebook).

#### TXFM

- TXFM has been off the air since October 2016. As such, the station is no longer being reported on.

#### Population Estimates

- The population estimates in the JNLR February 2017 report have been amended in line with the estimates published by C.S.O. These estimates are based on the Quarterly National Household Survey, (to Q3 2016) – see further detail on JNLR Population Estimates, Feb 2017 (“Industry Information”).
